“Human resources are the single resource in the world that continues to increase in supply. Therefore an investment in human resources has a compounding effect on an ever-increasing resource and yields long-term dividends in terms of human capital.”

Roderick Beidler - REI President and CEO

Our Mission

BUILDING PEOPLE TO BUILD NATIONS

The mission of Resource Exchange International is to: **ENGAGE, ENCOURAGE, EQUIP, AND EMPOWER** people in emerging nations to strengthen the strategic sectors of their countries.

Our Vision

WHY HUMAN RESOURCES?

In the humanitarian development world, many outstanding organizations...

Build buildings,
but buildings eventually collapse.

Others dig wells,
but wells eventually dry up.

Still others make loans to entrepreneurs,
but businesses and economies eventually fail.

Resource Exchange International believes that human resources are a nation's most valuable resource. An investment in human resources has a proliferating effect. Human resources are the one resource in the world that is increasing rather than diminishing.

Skilled, knowledgeable, and noble-hearted men and women in every sector of a nation investing their lives in others to build their nation and inspire hope for future generations.

SERVE WITH US

We bring professionals (in many fields!) overseas to serve with us. If your goals for humanitarian development match ours, we would love to have you come with us!

Join us for a short-term trip (1-4 weeks) in one of the countries where we serve.

You will be led and coached by REI staff, both Americans and nationals, and will have the opportunity to contribute your time and skills to develop eager nationals who desire to grow and learn with you. This is a life-changing opportunity for both you and the nationals we serve.

PARTICIPATE FINANCIALLY

Donors can make a lasting difference in people's lives by supporting REI financially through monthly, quarterly, or annual donations.

REI also accepts gifts of stock, gifts bequeathed through wills, and specific, preapproved gifts of equipment and supplies.

REI accepts donations by check and electronic funds transfer (EFT), through PayPal, First Giving, and Network for Good.

You can designate your gift to a specific country, program, or staff member, or you can simply give to the REI General Fund.
